Forward-Looking Statements

This document contains forward-looking statements. These forward-looking statements involve known and unknown risks and uncertainties and are based on the Company's expectations and projections about future events, which the Company derives from the information currently available to the Company. Such forward-looking statements relate to future events or our future performance, including: our financial performance and projections; our growth in revenue and earnings; and our business prospects and opportunities. You can identify forward-looking statements by those that are not historical in nature, particularly those using terminology such as "may," "should," "expects," "anticipates," "contemplates," "estimates," "believes," "plans," "projected," "predicts," "potential," or "hopes" or the negative of these or similar terms. When evaluating these forward-looking statements, you should consider various factors, including our ability to change the direction of the Company; our ability to keep pace with new technology and changing market needs; and the competitive environment of our business. These and other factors may cause actual results to differ materially from any forward-looking statement. Forward-looking statements are only predictions. The forward-looking events discussed in this press release and other statements made from time to time by us or our representatives, may not occur, and actual events and results may differ materially and are subject to risks, uncertainties, and assumptions about us. The Company undertakes no obligation to update forward-looking statements to reflect subsequent occurring events or circumstances, or changes in its expectations, except as required by law. Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, it can provide no assurance that these expectations will prove to be accurate, and it cautions investors that actual results may differ materially from the anticipated results. Investors are encouraged to review the risk factors that may affect future results in the Company's registration statement and in its other filings with the U.S. Securities and Exchange Commission.
